

TRAVEL.
TREAT.
RECOVER.
ENJOY.

MyLifeID is a healthcare information management company that enables individuals to have their Comprehensive Patient Profile including medical, health and fitness records with them wherever they go.

Having their health information empowers travelers to seek health treatment for any reason under any scenario from whomever they want even in other countries as their records can be translated into multiple languages. This solution is delivered with options for online, offline portable or both methods.

WHAT ARE MY RESPONSIBILITIES?

You need only contact us by phone or by using our Request Quote from our website and provide all the information requested. The more detail you provide the faster and better we can make your experience. We also offer payment plans.

WHO WE ARE & WHAT WE DO

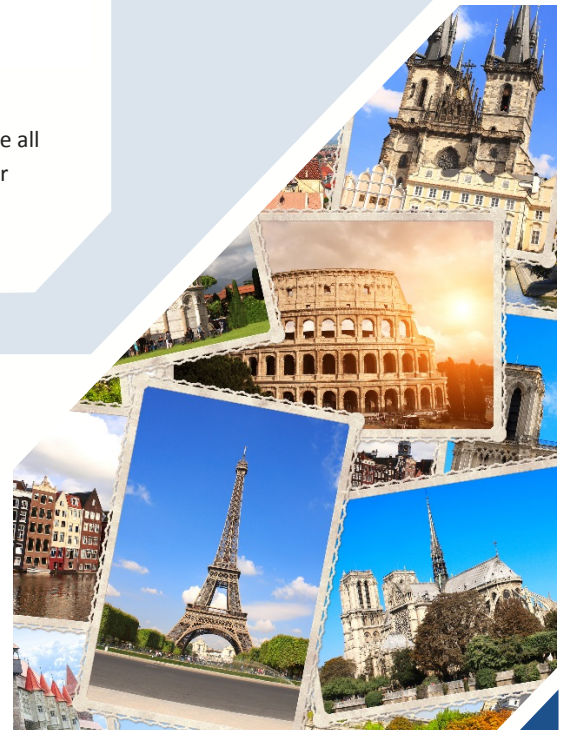

MyLifeID was originally created for people who travel and has its own full service travel agency. Our staff has been booking travel for people around the globe for over 20 years. MyLifeID provides travel services using only service providers who have been verified. The verification process includes validating the business, its legal compliance with its respective government regulations, reputation, licensing and other variables.

We have specific experience booking travel for people with disabilities and can help our travelers with equipment services such as:

- Wheelchair parts
- Cane split/damaged
- Hearing aid battery replacement
- Oxygen tank extra or replacement

This program is not based on the health of each person

- **No risk/health assessments required**
- **Costs are not based on participant health risks**
- **No pre-existing condition exemptions**
- **No age restrictions**

HOW TO BOOK

1. Determine your travel goals: leisure, therapy, rejuvenation, etc
2. Check our partner sites for ideas (The MedicalTourismDirectory.com and MyTravelNetwork.com), for verified service providers
3. Go to www.mylifeidtravel.com and submit your travel request or call 702-832-0112 to speak with travel consultant.

Store and track unlimited health information over time. Provide access to loved ones in case of an emergency.

WHO IS ELIGIBLE?

Anyone is eligible for these services subject to government regulations. Those who have access to this service through an employee benefit program have additional benefits. See your program for more details.

WHAT ARE THE BENEFITS?

MyLifeID's Travel benefits are unlike any other travel program because we are unlimited in the service we can offer, provide value as well as price benefits, have almost no geographic limitations, do not require high membership or booking fees and facilitate your travel at an affordable price with white glove service.

We arrange more than a typical travel program and have an international network of providers, suppliers and vendors that know how to turn your trip into a fabulous experience. At MyLifeID, we don't just take care of your travel, we take care of you as a traveler.

Some of the Travel Benefits include:

- Great pricing
- Knowledgeable staff
- A reputable network of providers, suppliers and vendors
- Over 1 million lodging options
- Nearly every ocean and river cruise line
- Nearly every car rental company
- Private tour guides
- Validated medical providers
- End to end itineraries
- Meal options

And so much more!

DOES HEALTH INSURANCE PAY FOR MEDICAL TOURISM?

Medical tourism is growing as a covered expense by insurance. However, it is recommended that you check with your insurer prior to planning a trip and scheduling services.
